

SAVE MONEY ON YOUR CREDIT CARD FEES

CSOMS proudly announces a credit card processing opportunity with Integrity Merchant Solutions (IMS).

A Testimonial From Stuart Lieblich, DMD, Avon Oral and Maxillofacial Surgery:

“Changing to Integrity Merchant Solutions gave us significant savings on our credit card processing in 3 offices from Day 1. But just as important is having a local person to respond to any question and to help train our team is ‘priceless.’ Lisa’s professionalism and expertise will make the changeover seamless. Without question I’d recommend you make this move.”
